OPERATION CHRISTMAS CHILD (BOXES)

We would like to invite the Fultonvale families to join us in partnering with Operation Christmas Child, a charity which collects and distributes shoeboxes filled with gifts for children in need. We think this is an important charity because it helps kids ensure that other kids all over the world have a nice Christmas. The collection date for collected boxes will be this Thursday, Nov. 8.

SCHOOL FEES

Pay School Fees Online!

School fee information for the 2018-19 school year is on the PowerSchool Parent Portal. **All fees are now due.** To access your fee information, simply log in to the [PowerSchool Parent Portal](#) and go

to "Student Fees." There you can view your fees and pay them online using Visa, MasterCard or INTERAC Online—when available from your financial institution.

Don't forget to log in to the PowerSchool Parent Portal regularly throughout the year. Fees are often added to your child's account to cover the cost of various school activities such as field trips, class projects, athletic-team fees and more.

If circumstances exist where you are unable to pay your student fees you can apply to have [fees waived](#) by submitting an [Application for a Waiver of Fees](#). The application deadline is Dec. 15, 2018. For more information about school fees, waivers and payment deadlines visit www.eips.ca/schools/fees. Alternatively, contact **Michele Edmundson, Business Manager** at Fultonvale Elem/Jr High School at 780-922-3058 or email michele.edmundson@eips.ca.

NO CHILD WITHOUT- FREE MEDICALERT FOR STUDENTS

In our ongoing effort to provide safe and caring schools for our students, **Fultonvale Elementary Junior High School** is once again participating in the Canadian MedicAlert Foundation's No Child Without program. The program is a national initiative that provides no-cost MedicAlert services to children—between the ages four and 14—who have chronic health conditions. The goal is twofold: to help children with severe allergies, medical conditions or special needs and to assist schools with medical-emergency plans for students.

Once a child is registered, their school is provided with advice on a medical-emergency plan for that student and given a list of medications, allergies and medical conditions the student has. If your child has a serious medical condition or allergy and could benefit from MedicAlert services, contact the school office at **78-922-3058**. To learn more about the No Child Without program, visit www.nochildwithout.ca.

NOVEMBER BREAK DAYCAMP

Need somewhere and something fun for your child during the Break? See poster below.

Kudos

To Mrs. Jones for braving Friday's road conditions to procure snacks for my principal's meeting.

A Final Thought...

This past week has been a trying one. We have a number of staff on Leave for a variety of reasons. The latest, Mrs. Kihn. We continue to think about each one of our colleagues and wish them all the best with their respective

recoveries. As a school family we continue to support & encourage each other and remember Rule #1.

LIFE HAS TWO RULES:

#1 NEVER QUIT

#2 ALWAYS REMEMBER
RULE # 1

UNKNOWN

Enjoy your week. ~ Brad
