

Modernization Update

September 26, 2014

Dear Parents,

Re: Disassembling and Suspension of Division I Playground Use

K-Rite Construction Company will soon begin work on the Modernization of our school. During the first phase of construction, one of the areas that will be affected is our Division I playground in order for work to begin on our new gymnasium. In the upcoming weeks, the playground will be fenced off and the take down process will begin. Once the playground is fully disassembled it will be placed into storage for future use. In the meantime, this leaves us without a playground for Division I.

In order for us to continue to offer your child the program and activities that they have received thus far, we have decided that it would be in everyone's best interest to work out a schedule that would allow both Divisions I & II to share the remaining playground. Park N Play Playground Design Company has verified to us that the existing Division II playground is completely safe for all students aged 5-12. There are 2 pieces of equipment that we, as a school however, have decided to **not allow** Division I to use. The high spinning swing and the climbing wall that are located in the northeast corner of the playground will be off limits to Division I students as to ensure your child's safety.

Below is the scheduled Division II playground use while the existing Division I playground is in storage:

Monday & Wednesday:

Division I - Noon recess

Division II – AM & PM recess

Tuesday & Thursday:

Division I - AM & PM recess

Division II – Noon recess

Friday:

Shared between both Divisions I & II

In order to continue to offer our program in a safe and effective manner, our supervision schedule will remain the same. We will also continue to look for ways to minimize the disruption of this process during its entirety such as our recent purchase of additional equipment and games for the students to use at recess. As always we appreciate your patience and understanding in this exciting and changing time.

Thank you in advance,

Miss MJ Nam
Principal

Mr. G. Fiddes
Assistant Principal
