

**Study [www.exambank.com](http://www.exambank.com) Online**

As exam season quickly approaches, you are probably looking for resources to help your children prepare. You may wish to consider visiting [www.exambank.com](http://www.exambank.com) - an online study tool designed specifically for Alberta students writing their government achievement tests and diploma exams in Grades 6, 9 and 12. No special software is required - you can use the service from any computer with an Internet connection.

On Exam Bank, students can practice sample tests in the subject area they choose. When a test is completed, it is automatically marked for the student so they can immediately see where their strengths and weaknesses lie. The tests are randomly generated from a large selection of questions, so students can write an exam multiple times to become better prepared.

Elk Island Public Schools has purchased access privileges for students:
